CIRCUIT PROTECTION PRODUCTS

December, 2016

Bourns® Model B0500T, B1250T and B2000T Telefuse™ SMD Power Cross Protection Fuse Products to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns has identified select [Telefuse™ SMD Power Cross Protection Fuse](#) products that will be transferred to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

Regrettably, no replacement products are available at this time. Customers must notify Bourns in writing within 30 days of receipt of this notification if they consider the discontinued product to be “sole sourced” by Bourns. In such cases, Bourns will work with customers to negotiate an appropriate end-of-life purchase for the discontinued products. Products purchased during this End of Product Life transition period will be covered by Bourns’ standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.

Obsolete Part Numbers
B0500T
B1250T
B2000T

Please plan for the following deadlines:

Last time buy date: June 30, 2017

Last time ship date: December 31, 2017

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
